

ACCOMMODATING STUDENTS WITH DIABETES

The Finley School District will work with the parents and health care providers of students with diabetes.

The district will follow an individual health plan for each student with diabetes as provided by the health care provider. Each individual health care plan shall include an individual emergency plan element. The health plans shall be updated annually, or more frequently as needed.

The district, its employees, agents or parent-designated adults who act in good faith and in substantial compliance with a student's individual health care plan and the instructions of the student's health care provider shall not be criminally or civilly liable for services provided under chapter 350, Laws of 2002.
