

Required Notification of Isolation or Restraint of Students with IEPs or Section 504 Plans

Finley School District maintains a safe learning environment while treating all students with dignity and respect. All students in the district, including those with an Individualized Education Program (IEP), an Aversive Intervention Plan (AIP) or a plan developed under Section 504 of the Rehabilitation Act of 1973 (Section 504 plan) will remain free from the unreasonable use of force.

Isolation and restraint of these students will generally be avoided and will not be used as a form of discipline or punishment. The district recognizes, however, that isolation and restraint are necessary at times to preserve the safety of students and school staff. The district therefore authorizes these actions under limited circumstances. This policy and its accompanying procedure set forth the statutory definitions and authorized use of isolation, restraint and restraint devices as well as incident review procedures and requirements for reporting and parent/guardian notification.

The district will provide parents or guardians of students with an IEP or Section 504 plan a copy of the district's Isolation and Restraint policy when the IEP or Section 504 plan is created and will include parent/guardian notification procedures in the student's IEP.
